PluginAnnotation

Feature requests

- Could it detect size?

Questions

- Should it be part of img plugin?
- What to do with SUMO enhancements, which never contributed to trunk?
  http://tikiwiki.svn.sourceforge.net/viewvc/tikiwiki/branches/experimental/annotation/

Bugs in version 3.0

- When many on one page, they get mixed up: PluginAnnotation
- Do hyperlinks work?
  - if so, how?
  - if not, fix or remove
    - wiki page link auto-complete or http:// link

Other info

- Integrating fotonotes or wikigraphe or DOM Image Annotation to the Image gallery
- Code:
