Description

Users cannot edit files galleries properties.

At tiki-list_file_gallery.php file, the second if statement is open in the wrong place:

tiki-list_file_gallery.php

```
312 // Check THIS gallery modification rights
313 if ( $galleryId > 0 ) {
314 if ( ! $user || $gal_info'user' != $user )
315 $smarty->assign('errortype', 401);{
316 $smarty->assign('msg', tra('Permission denied you cannot edit this gallery'));
317 $smarty->display('error.tpl');
318 die;
319 }
320 }
```

Solution

Change to:

tiki-list_file_gallery.php

```
312 // Check THIS gallery modification rights
313 if ( $galleryId > 0 ) {
314 if ( ! $user || $gal_info'user' != $user ) {
315 $smarty->assign('errortype', 401);
316 $smarty->assign('msg', tra('Permission denied you cannot edit this gallery'));
```

```
317 $smarty->display('error.tpl');
318 die;
319 }
320 }
```

Fixed on svn in both 2.0 and 3.0. Will be fixed in next release.
