Sorting does not work when clicking on the caption of a file gallery

Status
     Open

Subject
     Sorting does not work when clicking on the caption of a file gallery

Version
     3.x

Category
  - Consistency

Feature
     File Gallery (elFinder or standard UI)

Description
     When you click on the header, it suppose (I assume this) that it will sort on that column/field.

     It does not, obviously.

Solution
     Use the small icon "Other Sorts" on the total right for other sorts (they do work!), otherwise it is waiting for a bug fix
