Description
   Allow Tiki to use virtual currency servers powered by CCLite.
   (See cc project)

   _____

   Reopening because it's not working (as of August 2010).
   See (if needed):
   http://c2c.ourproject.org

Solution
   This has been added to Tiki6 and is in process to work as expected.

   _____

   This is not fully working as expected, so re-opening in "pending" mode, until it's proven to work as
   expected, at least as reported in phase 1:
   http://dev.tiki.org/cc
