Description
    When you import tracker items, if you don't select the checkbox to create new items, they are supposed to replace the previous items that are there.

    But this fails, and new items are created, without replacing the old ones.

    ───

    confirmed still in trunk, SVN (11.0svn): Monday 22 of April, 2013 15:40:50 UTC- REV 45673
