Description

Sometimes, the pagination generated by the tracker does not work. Here is an example:

1. Go to:

<http://app07.ottawa.ca/smwk/prvacancies/tracker1>

2. Click on closed items

1. Select a filter

1. Scroll to the bottom on the page and click forward arrow to next page

It auto-generates a "Page 2" link as follows (which gives an error):

http://app07.ottawa.ca/smwk/prvacancies/tracker1&status=oc&sort_mode=lastModif_asc&filterfield=1&filtervalue%5B10%5D=English&filtervalue%5B11%5D=Aquatics+%2F+Programmes+aquatiques&filtervalue%5B8%5D=Attendant+Recreation+%26+Culture&&filtervalue%5B1%5D=Routhier+CC-172+Guigues?offset=24

What it should do, is generate it as follows (which works):

http://app07.ottawa.ca/smwk/prvacancies/tracker1?offset=24&status=oc&sort_mode=lastModif_asc&filterfield=1&filtervalue%5B10%5D=English&filtervalue%5B11%5D=Aquatics+%2F+Programmes+aquatiques&filtervalue%5B8%5D=Attendant+Recreation+%26+Culture&&filtervalue%5B1%5D=Routhier+CC-172+Guigues

(only change is that "?offset=24" is at the beginning of the parameter list instead of at the end)
