Description
While viewing tracker5 item it shows "Lastmod by" with wrong value. Clearly I was the last to modify the item here: https://dev.tiki.org/tiki-tracker_view_history.php?itemId=7145
But it shows "John Morris" instead on the View tab: https://dev.tiki.org/item7145-Browse-Gallery-option-does-not-insert-files-or-images-syntax-into-wiki-page

Importance
