Description

There is (presumably) an error in the help system, which I found while editing the help of
Spreadsheet, but I guess this help text, since it describes basic Tiki syntax, gets displayed on
numerous occasions.

tiki-edit_help.tpl has this on line 55:

󠀀󠀀󠀀󠀀󠀀󠀀󠀀

<td> {tr}Show/Hide{/tr}
 !+, !!- {tr}show/hide heading section. +
(shown) or - (hidden) by default{/tr}. </td>

I assume both options are to be written with double exclamation marks, and not only the negative?
