Description

The screenshot shows the Tiki Wiki Community website. The header includes the 'Community' logo, navigation links for 'All Tiki Community Sites', 'Create Account', 'Login', and a language selector set to 'English'. The main content area features the Tiki Wiki CMS Groupware logo and the tagline 'collaborate and gather Users, Teams, Blogs & Forums'. A navigation bar contains links for Home, Model, About, Community, Support, Events, and Blogs. The main heading is 'TikiFestMadrid' with a subtitle 'TikiFest Madrid - February 15-17, 2009'. The description states: 'A tradition in the TikiWiki community, a TikiFest is when there is a meeting between at least 2 TikiWiki contributors that don't usually meet. This is an opportunity, usually, to drink adult beverages, get some laptops out and code wildly in group sessions and/or discuss about wiki technology and culture, etc. depending the mood and context. It is a great opportunity for Tiki users and Tiki power users to meet some of the developers and learn more stuff 😊'. A 'Table of contents' section is visible below the description. On the right side, there is a list of contributors: 'Contributors to this page: bey, Jonny Bradley, Xavi, luciash d' being, xa, -Philippe Huberdeau, slordjette, Roberto Lopez, Marc Laporte, axold and MatWho.' and a note: 'Page last modified on Thursday 14 May 2009 07:11:32 GMT-4 by bey.' A 'History' button is next to the contributors list. At the bottom right, there is a 'TikiFestMadrid' banner for 'FEB15FEB17 2009'.
