WYSIWTSN

Concept coined in during TikiFestBarcelona by Xavi.

What You See Is What (You Want) To See Now

Common pronunciation: "WizzyWatson" ;)

Unlike WYSIWYCA, WYSIWTSN is driven by user motivation. It's meant to allow for larger Tiki installations broken down into workspaces using Perspectives.

Previously known as WYSIYWSN or WYSIYWTNS.

- Dogfood on a *.tiki.org site
- Conflict of two features (each works well independently)
