

# Business process management

We will add [BPMN 2.0](#) via [Camunda](#) in [Tiki22](#) or [Tiki23](#).

This will supersede [transitions](#) (available for groups and categories), and eventually be available throughout Tiki. It will be possible to package up specialized apps as [profiles](#).

## Who

- Victor
- Jonny
- Benoit G.
- Marc
- you?

## Related projects

[Zeebe](#)

"Business Process Model and Notation (BPMN) is a graphical representation for specifying business processes in a business process model."
