

Default Iconset - Font Awesome

These icons are defined in `/themes/base_files/iconsets/default.php`

- If in admin Look & Feel you have chosen the default icon set.
 - Which are Font Awesome's set

This page shows you

- This is the definition of an icon in the icon set if it's an "alias" to one of the default icons.

NOTE: some are set in default.

- Please explain, if you know where those are set.
