Recursive user group may be added with a CGI Error resulting after login

### Status

✖ Closed

### Subject

Recursive user group may be added with a CGI Error resulting after login

### Version

1.9.x

### Category

- Error

### Feature

User Administration (Registration, Login & Banning)

### Resolution status

Out of Date

### Submitted by

jfernandes

### Lastmod by

Bernard Sfez / Tiki Specialist

### Rating

★ ★ ★ ★ ★ (0) ?

### Description

It is possible to include groups recursively.

As a result the users that belong to those groups receive a CGI Error when trying to login.

### Solution

The solution I found was to manually edit the database, removing the necessary records from the tiki\_group\_inclusion table.

### Priority
