Marc Laporte

### Rating

★★★★★ (0) ?

### Description

Although there are permissions such as tiki\_p\_create\_galleries there is no tiki\_p\_edit\_image\_galleries.

So a group with tiki\_p\_create\_galleries permissions can add a new image gallery but cant edit the description after they have added it. Which is a problem if they made a mistake.

### Solution

add tiki\_p\_create\_galleries

### Priority

25
