### Description

If you access whatever image gallery, you will see that is not possible to view the thumbnails and images. Have a look.

This function is so important! is the unique motive that image gallery exists..

## Comments

Gary Cunningham-Lee 25 May 05 06:06 GMT-0000

One image seems to be missing, but I can see all the other thumbnails and images at the linked gallery. And my own galleries are working OK, so maybe there was a temporary problem with the site or with the bug submitter's browser.

Oliver Hertel 04 Jul 05 13:07 GMT-0000

works for me
