Description

Anonymous users can see can view polls even though they don't have tiki\_p\_vote\_poll

These files need to be checked:

tiki-old\_polls.php

tiki-poll\_results.php

tiki-poll\_form.php

Setting that anon can vote in polls needs to be cheked too.

tiki-admin.php?page=polls

Sorry not to have a clearer bug report. Short version is that permissions for polls don't work as expected in 1.9.0
