### Description

tiki-lastchanges.php does not show the current edit comments for a page that was edited.

Steps to repro:

1. Edit any page, and fill out the 'Edit Comment' field.
2. Go to the tiki-lastchanges.php page, and the page edit is there, but no comments are seen.
3. Return to the edited page, edit,comment and save again.
4. Go to the tiki-lastchanges.php page, and you will see the previous comment, but not the current.
