Subject
Do not confuse a series of stars (**********) with an intentional bullet point list

Version
4.x

Category
• Usability
• Conflict of two features (each works well independently)

Feature
Wiki Syntax (text area, parser, external wiki, etc)

Resolution status
New

Description
************ can be used a seperator in an email

Typcally, if there is a large number of stars (ex.: >10) and/or there is no text after, we shouldn't convert to bullets.

Importance
5
