Thanks!

gregejack 24 May 10 15:53 GMT-0000

I cannot commit. Since I am not a project developer or administrator, the modifications are only submitted as a request or suggestion.

gregejack 31 May 10 14:52 GMT-0000

User name on SourceForge is also "gregejack".

Marc Laporte 09 Jun 11 00:45 GMT-0000

Hi!

Sorry, I wasn't looking and missed your reply.

You now have commit access:

<https://sourceforge.net/users/gregejack>

Can you check Tiki7 and see if issues are still there?

Best regards,

M ;-)
