Are you using PHP 5.3.0? If so, that's your problem, there is a bug in that PHP version. Use 5.2 or 5.3.1 instead.

trois14 06 Jun 10 10:08 GMT-0000

Thanks you philippe. I try with PHP 5.3.1 and I found ananother problem. At the end I step down in 5.2.9
