new user needs admin validation for registering doesn't work

Status

Closed

Subject

new user needs admin validation for registering doesn't work

Version

1.9.x

Category

- Error

Feature

User Administration (Registration, Login & Banning)

Resolution status

Fixed or Solved

Submitted by

amette

Rating

(0)

Description

In Admin -> Login check both:

- Users can register:
- ... but need admin validation:

Admin validation isn't required, new users still can register and login immediately.

Solution

fixed in 1.9.8 or before (not sure when, but works now)

here, the validation is ok

Fabián Rodríguez 19 Apr 06 02:21 GMT-0000

Confirming here.

I have reproduced this in 1.9.2 and 1.9.3 (CVS).

fmathias, can you tell us what info you have in Administration>General> Contact user ? I have "admin" and the admin email address is OK, however I don't get any validation etc.
