Description

Logged in nextdoc.t.o as user xavi. Interface in Spanish (in case it matters).

I went to action log interface, searched for a date range:

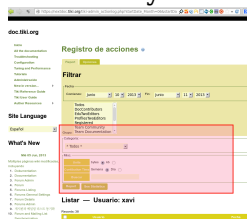

[https://nextdoc.tiki.org/tiki-admin_actionlog.php?startDate_Month=06&startDate_Day=10&startDate_Year=2013&endDate_Month=06&endDate_Day=11&endDate_Year=2013&selectedUsers\[\]=&categoryId=&unit=bytes&contribTime=w&find=&max=50&list=Report#Report](https://nextdoc.tiki.org/tiki-admin_actionlog.php?startDate_Month=06&startDate_Day=10&startDate_Year=2013&endDate_Month=06&endDate_Day=11&endDate_Year=2013&selectedUsers[]=&categoryId=&unit=bytes&contribTime=w&find=&max=50&list=Report#Report)

Then I clicked at the "Options" tab, and the options tab is NOT shown.

In fact, it shows up at the very bottom of the page.

I noticed that the yellowish background of the tab "Report" does not contain the lower part related to Category and Misc. Maybe that's related to the source of the issue?

This seems to be a regression from Tiki9, since the issue is found already in tiki 10.x, it seems ([https://doc.tiki.org/tiki-admin_actionlog.php?startDate_Month=06&startDate_Day=10&startDate_Year=2013&endDate_Month=06&endDate_Day=11&endDate_Year=2013&selectedUsers\[\]=&categoryId=&unit=bytes&contribTime=w&find=&max=50&list=Report](https://doc.tiki.org/tiki-admin_actionlog.php?startDate_Month=06&startDate_Day=10&startDate_Year=2013&endDate_Month=06&endDate_Day=11&endDate_Year=2013&selectedUsers[]=&categoryId=&unit=bytes&contribTime=w&find=&max=50&list=Report))

Importance
