Description

From r46361 when uploading a new file to a File Gallery the upload fails and (perhaps because of) the user is logged out

Solution

sorry - cannot reproduce (jb)

problem only happens when the "Upload progressbar" is set to Ajax/Flash (Browser based) - if it is set to None then all is well 😊

so it seems the bug is associated with this 'feature' which should perhaps be set to 'experimental' or even withdrawn
