Description
Decided at https://tiki.org/TikiFestPostPostMuskoka#Follow-ups_Decisions, Nelson will start a series of developer-focused webinars, to be held every 2 months and this will build our developer documentation.

Todo: Make it happen 😀

- Pick the first date and set the schedule
- Make a page to promote the event
- Pick some topics
- Invite some guests
- etc.

+1

Solution
ok planning in progress...

Nov/Dec: will be on Activity Streams and other cool new stuff in Tiki 12
Jan: will be on how various TIki monitoring infra has been setup

Like the monthly webinars. Otherwise, things just slide.

Thanks!
