Description

Clicked on the "Choose image or file" button in editor. Get error "this is not JSON"

Seems to be an issue with ElFinder. This problem has been repeated inside a Wiki Page, Forum and right here in the Bug Tracker.

I tried on SHOW and the error doesn't happen. Only on dev.t.o

Comments

Pascal St-Jean 15 Nov 13 19:18 GMT-0000

must have been related to the other ElFinder bug.

thanks Jonny
