Description

Hello,

I need someone with Kaltura access to remove the following clip: 0_vl6gaflc

You will find the clip at this location

http://tv.tiki.org/tiki-kaltura_video.php?mediaId=0_vl6gaflc

This above video clip is no longer needed as the two approved ones are done.

I do not have Kaltura admin access. Therefore, if someone who does have kaltura access on the tv.tiki.org side, please help.

Tks

Daniel.
