Description

To reproduce, visit: http://dev.tiki.org/tiki-view_tracker_item.php?itemId=5317

Click the print icon:

<http://dev.tiki.org/item5317?print=y>

Only the title appears, along with 2 "add comments" buttons. These are relevant in print mode (printing comments is OK, but not a button to add more)

13.x: 'Add an item' for tracker field 'item link' does nothing when field displayed as multi select.
