Description

The "perform action with checked" icons at the bottom of the tiki-list_file_gallery.php listing (in list view) requires additional code rewriting in order to convert to iconsets due to the fact that iconsets cannot be easily used for input images.

Solution

Commit r54426.

i think the transition to icon sets should be considered as ongoing and so it will continue in Tiki15

lindon 16 Mar 15 01:45 GMT-0000

Sorry to disagree - I closed this by actually fixing rather than just taking off the blocker category ;-)
