Fatal error when using CAPTCHA Questions for comments. | Tiki Wiki CMS Groupware :: Development  
Fatal error when using CAPTCHA Questions for comments.

### Status

✖ Closed

### Subject

Fatal error when using CAPTCHA Questions for comments.

### Version

14.x

### Category

- Error

### Feature

Spam protection (Anti-bot CAPTCHA)

### Resolution status

Fixed or Solved

### Submitted by

Johnny Nielsen

### Volunteered to solve

Jonny Bradley

### Lastmod by

Bernard Sfez / Tiki Specialist

### Rating

★★★★★ (1) ?

### Description

Retested

Fixed in 15.0alpha (REV 57761)

### Bug

When enabling CAPTCHA Questions, the following error is displayed below the comment entry text area, in stead of the CAPTCHA and the submit control buttons.

```
Fatal error: Call to undefined method Captcha_Questions::getService() in [snip tiki path]/lib/captcha/captchalib.php on line 179
```

It is not possible to submit a comment, since the submit button is not displayed.

The bug appears for comments in all features accepting comments.

### Reproduction

Enable advanced preference filters

tiki-admin.php

Enable comments for wiki pages

tiki-admin.php?page=comments

Enable "Comments below wiki pages"

Set "Allow comments per wiki page" = "Enable (default On)"

Enable captcha questions

tiki-admin.php?page=security

Go to tab "Spam protection"

Enable "Anonymous editors must enter anti-bot code (CAPTCHA)"

Enable "CAPTCHA Questions"

Enter into "CAPTCHA Questions and answers":

q1:a1

q2:a2

q3:a3

q4:a4

Set permissions for Anonymous users

tiki-objectpermissions.php

Allow for Anonymous:

- comments/Can post new comments (tiki\_p\_post\_comments)
- comments/Can read comments (tiki\_p\_read\_comments)
- wiki/Can view wiki comments (tiki\_p\_wiki\_view\_comments)

Enable comments for HomePage

Edit the page, and save.

Test

Log out, and see the error message below the comment entry text area.

(End of reproduction)

Solution

Hopefully fixed in 15.x in r57746?

Will backport to 14 if it works 😊

Hi Johnny2 😊

I think that's a feature i wrote so will try and look at it soon, but just wanted to say thanks for the great bug report - really through, helpful and couldn't be improved on imho! (so i better fix it right? ;)

Johnny Nielsen 26 Feb 16 13:51 GMT-0000

Hi Jonny,

thank you for your thumbs up 😊

Do you have plans of making it useful in a multilingual tiki? It is difficult to answer questions in a language one does not understand 😊

Johnny Nielsen 04 Mar 16 17:02 GMT-0000

Thanks for the fix, Jonny 😊

I'm not sure how to proceed with the bug ticket from here (this is my first bug report).

Should I mark it "Closed"?

Yes please.  
This time I did for you. 😊
