Description

Describe precisely what you did (how to reproduce)

Go to this link at https://tiki.org/tiki-list_kaltura_entries.php

Click on the links to the Kaltura Videos as produced by our tiki staff

Describe exactly the faulty consequences

The faulty consequence is the user is taken to the viewing page for the video link that was clicked, and the viewing page fails to render the Kaltura video.

Explain what you expected instead of the faulty consequences

What is expected is the video to render properly upon clicking on the Kaltura video link.
