Description
When the info icon for a file is hovered over, and if there is a lengthy description for that file, the popup box is oversized and does not render properly.

See file named Spokeshave Bottom Grinding.jpeg and hover over info icon at http://tpwtestuser.com/tiki/tiki-list_file_gallery.php?galleryId=5 for working example of oversized info box.

A show instance will be created.

Unable to create show instance.

John Morris 18 Jun 16 02:42 GMT-0000

Show instance is now created with snapshop.

John Morris 19 Jun 16 17:12 GMT-0000

There is a forum topic on this subject in progress at https://tiki.org/forumthread59906?topics_offset=0

John Morris 30 Jan 17 18:34 GMT-0000

This appears to have been resolved since this was reported.

Bernard Sfez / Tiki Specialist 31 Jan 17 07:20 GMT-0000

Re - Good news !

Please update the tracker item (status to close and Resolution status to fixed).

Thanks!
