Xavi,

I assume you mean the tables at [tiki-payment.php](#) for Outstanding, Past and Cancelled payments? I can work on this. You mention that there is no pagination, but mine shows pagination in trunk.

Regards,

lindon

Thanks lindon!

And yes, those are the tables.

Pagination, ok, great, then (I got confused, then, when using it in some tests in 12.x and 15.x)

Cheers
