Description

~~When I enable the feature "User Favorites" on the Community panel, it does not appear anymore as a button below wiki pages.~~

~~See the show instance.~~

Update: Ah! Turns out it is part of the new Bootstrap dropdown in wiki actions on top now instead of a action button and as we have custom template for the top wiki actions on our site I did not see it!

Priority

25

Demonstrate Bug (Tiki 19+)

Please demonstrate your bug on show2.tiki.org

Version: trunk 

Demonstrate Bug (older Tiki versions)

This bug has been demonstrated on show.tikiwiki.org

Ticket ID

6203
