Description

~~Tiki 18.x no longer needs mods.tiki.org~~ It would have been nice to delete mods before 18.0 but it's somewhat late now...

Ref: <https://tiki.org/forumthread67983>

Presumably, we shut down mods.tiki.org in April 2021, at the end of the support period for 15.x? <https://doc.tiki.org/Tiki15>

Since 18.x has been released with mods, let's remove from trunk (19.x) only.

Don't do anything to 18.x for now

luciash d' being 22 Dec 21 21:08 GMT-0000

Today I stumbled upon this open item and realized <https://mods.tiki.org> is shockingly still there! 🤖
