

Benoit Roy 13 Nov 18 01:40 GMT-0000

hopefully fixed in <https://sourceforge.net/p/tikiwiki/code/68293/>

few things of note:

in BS4 there is no longer a text-shadow for the captions and a gradient background for the controls so it kinda looks worse than in 18x.

in the list syntax, 'wrap' should be a boolean instead of a number (i edited the doc.tiki.org page linked in your example)
