Description
      Weird translations have been added to the french language.
      See screenshot.

      There may be more I didn't see.

      It is not the first time it is fixed, it is important that the dev who commit the changes understand it
      is not good.

Importance
      8

Easy to solve?

You wrote: "it is important that the dev who commit the changes understand it is not good."

Are you sure someone is doing intentionally? I suspect it's an automatic script.

Is it just in French?
