Description

To reproduce go at in your file gallery, find a file a file that was uploaded several so you have several version files or upload several time the same file to make possible going into the archives folder in the file action menu.

Once in archive tiki-file_archives.php?fileId=

Select several file, select "Delete..." in the dropdown at the bottom of the page.

The page will just refresh.

This is also true for 18.x, see my bug report:

<https://dev.tiki.org/item7264-File-gallery-archive-collective-delete-is-being-ignored>

Bernard Sfez / Tiki Specialist 29 Nov 22 06:15 GMT-0000

Tested on Tiki25 and it has been fixed.
