tiki_p_topic_read should not be needed to view articles | Tiki Wiki CMS Groupware :: Development tiki p topic read should not be needed to view articles

Status

Closed

Subject

tiki p topic read should not be needed to view articles

Category

• Error

Feature

Article

Rating

Description

This is a newly introduced problem in BRANCH-1-9. tiki_p_topic_read should not be necessary because it should only be to assign permission to a specific topic.

Many people upgrading from 1.8.x to BRANCH-1-9 have reported that their articles disappear.

tiki_p_topic_read needs to be given to groups in addition to tiki_p_read_article

Solution

solved in BRANCH-1-9 by Sylvie
