Description

The template for the community wizard has an error, it points users the wrong direction to look at:

```
<em>{tr}See also{/tr} {tr}Share{/tr} <a href="tiki-admin.php?page=share"
target="_blank">{tr}admin panel{/tr}</a> & <a href="https://doc.tiki.org/Share"
target="_blank">{tr}in doc.tiki.org{/tr}</a></em>. </div> <div class="col-lg-6"> {preference
name=feature_friends} <div class="adminoptionboxchild" id="feature_friends_childcontainer">
{preference name=social_network_type} </div> <br> <em>{tr}See also{/tr}
"{tr}Community{/tr} <a href="tiki-admin.php?page=community&cookietab=2"
target="_blank">{tr}admin panel{/tr}</a> > {tr}Social Network{/tr} > {tr}Friendship and
Followers{/tr}" & <a href="https://doc.tiki.org/Friendship+Network"
target="_blank">{tr}in doc.tiki.org{/tr}</a></em>.
```

The Friendship&Followers settings are not in Control Panels > Social Network > Friendship and Followers, but rather in Control Panels > Community > Tab "Social Interaction".
