Description

It is not possible anymore to download a picture in this tracker if you try to navigate (browse) inside the file galleries to place the image in an existing gallery.  
I tried dozens of time since yesterday.

Browsing through file galleries is insanely slow (but it was working before) a timeout is now occurring.

Still here: <https://share.vidyard.com/watch/61X1hdae5uQ8MHMTUx3jZN?>

Solution

Maybe this commit [ef6ca66f](#) fixed it?

Finally !!!
