Description

Hello,

Updating an article, there is a problem of images not saved when the Tiki interface is in French, image disappear from the article.

The problem do not occur when the interface is in English or other language.

I have fixed the problem and the solution I found is on your forum, https://tiki.org/tiki-view_forum_thread.php?forumId=6&threadId=76791&comzone=show" class="wiki wikinew text-danger tips">here https://tiki.org/tiki-view_forum_thread.php?forumId=6&threadId=76791&comzone=show

Sincerely
Patrice
