Description
On Tiki24 to rebuild the unify index you need to go to the Search feature page and click on the rebuild-index button.
It is a commonly used function and it should be available from the admin-navbar on the top of the admin dashboard/area.

@Lupundu Kalekwa Yan The merge request hasn't been merged yet.
Please follow it and rebase regularly.

Bernard Sfez / Tiki Specialist 24 Feb 22 15:24 GMT-0000

@Lupundu Kalekwa Yan, good addition, thanks.
Tested on nextdoc. (master).
This should added to Tiki24 IMO.
