Description

With the code below (within the split tags) there are br tags displayed in clear.

Widget Company Limited	
Henry Ford	 List of new courses will come here...
🔲	
N hours	 List of all courses will come here...
Training this year	
2015 - _8.5 h_	
2014 - _6 h_	List of Mandatory courses will come here...
...	
2010 - _6.6 h_	 List of courses to continue watching will come here...
	  List of favourite courses will come here...

X
Total Courses taken

(Some chart here)

Workaround
Actual workaround is to not use the split plugin (it's very ugly), use div plugins with bootstrap grid classes, seems to work fine

Odd, sounds related to but the opposite of item 5873

I added a test page to the show instance for the other wish here which (now) shows the problem, but didn't the first time i tried with a simplified version
